Star Alliance Air Ticket redemption

In order to find out how many LifeMiles you need to redeem a ticket in Star Alliance carriers, please, follow these steps:

1. Find the origin region of your trip in the first column, then identify the cabin class (Economy, Business or First).
2. Find the destination region of your trip in the first row.
3. Pinpoint the place where your origin and destination cross to get the amount of miles needed for the trip (the mileages on the table are for one-way flights, you will need the double amount of miles for round trip journey).
4. Below the chart you will find the list of countries for each of the region.

From/to	Cabin	North of Central America (includes El Salvador)	Central America South	Hawaii	Rest of North America	United States 1	United States 2	United States 3	Mexico	Carribean	North of South America (includes Colombia)	South of South America	Brazil	Europe 1	Europe 2	Europe 3	Middle East / North Africa	South Africa	North Asia	Central Asia	South Asia	Others
